Santa Visits The Beach

Preparing for The Big Day

(l-r) Wasaga Mike Jablonski, David Schindler with Scooter, Santa with Santa Paws and Joe Bickerstaff

The Stonebridge Crew (including Scooter) recently joined Santa and Santa Paws for a pre-holiday spin around the neighbourhood. Santa inspected chimneys and double checked his list. The Big Guy reports that it's "all systems go" for the big night!

The big heart of Stonebridge was on display once again this year as local businesses and generous residents donated over \$2000.00 worth of warm clothing and cash for the less fortunate. Donations will be distributed to charities operating within Wasaga Beach.
